## PROFILE

Motivated student graduated with a Bachelor's degree in Earth Sciences, specializing in Georesources and Environment. Currently pursuing further education in Rural Engineering, Water, and Forestry, with a focus on hydraulic engineering and rural management. Seeking for a internship opportunity for the next year 2024/2025 for my project of graduation to apply and enhance skills in the field. Passionate about hydrology, hydrogeology, water resources management, and sustainable development, eager to contribute to meaningful projects in environmental stewardship.
